SUBJECT: Respect in Sport – Prepaid Credit Card Payment

Hello,

It has been brought to our attention that there are issues with using a prepaid credit card to pay for the Respect in Sport Program. After speaking with both Respect in Sport Group inc and Paypal this falls under a paypal policy and unfortunately, in the majority of cases, paypal does not accept prepaid credit cards as a method of payment because they do not have any way of verifying the identity of the user.

I do understand that one of the issue that may come up is some people do not have a credit card, if that situation does occur one of the options that was discussed could be the local minor hockey association purchase and provide the codes and collect the payment from the member.

Once again we do apologize for this inconvenience and appreciate the hard work that everyone has put in to ensure this program meets its goal. If you have any other questions at all about this or any other Respect in Sport issue do not hesitate to contact me at jhaluschak@hockeyalberta.ca
