Manager, Hockey Operations

**SUBJECT: ADDITIONAL ACCIDENTAL DENTAL INSURANCE**

---

For the 2015-16 season, the Alberta Junior Hockey League has the option to purchase additional accidental dental insurance.

The current insurance plan provides coverage of \$1,250 per tooth, up to a \$2,500 maximum. This additional Accidental Dental Insurance would increase the coverage, for all injuries resulting from any one (1) accident, to a maximum of \$5000.00 per insured person.

This additional Accidental Dental Insurance is only available as a group package and therefore, if the AJHL is interested, they would have to purchase it for all teams at \$2.50 per player.

16 teams @ 45 players x \$2.50 per player = \$1800.00

Please note that there will be no refunds for this additional fee at the end of the season.

Should you have any questions or concerns please feel free to contact me at [miskilnick@hockeyalberta.ca](mailto:miskilnick@hockeyalberta.ca) or (403) 342-6777.
