

Alberta Cup Registration Directory 2018

Please note: The zone boundaries have been re-aligned for the 2018 Alberta Cup, to more closely coincide with the Alberta Development Model. Please review the revised zone boundary directory, as players will now attend the appropriate camp based on where they would attend their first tryout for Bantam AAA, unless otherwise indicated. Entire Minor Hockey Associations are within a specific Alberta Cup zone and not split. If you have any questions on the zone boundary changes, please contact Dustin Moore at dmoore@hockeyalberta.ca before registering for a zone camp.
