## HOCKEY ALBERTA GREETING

The 2018-19 season was filled with significant accomplishments and milestones for Hockey Alberta and its Board of Directors.

At the 2017 Annual General Meeting, the membership approved a Bylaw change adding two elected positions to the Board of Directors. Those positions were on the ballot at the 2018 AGM, as the Board welcomed three new members: Francois Gagnon (Fort McMurray), Wilson Gemmill (Grande Prairie) and Michael Bates (Cochrane).

The Board is not involved in the day-to-day operations of Hockey Alberta; rather, our role is to help set the direction for our staff and volunteers. With three new

Directors this year, along with two elected the previous year, the Board was actively engaged in discussing the overall future direction for the organization.

A major focus is managing the change that is ongoing and inherent in our sport. The game is changing, both in Alberta and across the country. And that requires Hockey Alberta to lead the process to ensure hockey continues to focus on having a spot for all participants to stay involved.

Some specific focal points for the Board in 2018-19 included:

- Realigning the Officials Committee within Hockey Alberta. This involved much
  discussion, cooperation and trust as we worked towards a new provincial
  structure for officials in Alberta. The work continues, and thanks are
  extended to the Board for its direction, Hockey Alberta staff, and the Officials
  Committee for recognizing the importance of this shift and working together
  so it could happen.
- Creating an Ad Hoc Committee on Membership Definition. I'm proud of the
  decision of the Board to undertake this project, and the individuals selected
  to the committee. The work done to date by the committee will be discussed
  at the 2019 AGM and I look forward to seeing a recommendation during the
  2019-20 season.

- Becoming involved in the Appeals process. It was important that the Board recognize its ownership of this process and take an active role, and I am pleased that we did.
- Continuing to work at connecting with our Members, through attending Regional Meetings in the spring, the AGM and Hockey Conference in November, and other engagements across the province. It has been important for the Board to be at these events as the dialogue and feedback is important to hear directly from the Members.

In the following pages in the 2019 Hockey Alberta Report, you can review the accomplishments that have occurred around the province – many involving our staff and volunteers, all involving success and achievements by our participants.

Please take the time to read about the accomplishments of our Team Alberta squads as Alberta and the City of Red Deer hosted the Canada Winter Games; Hockey Alberta's very busy first year in its new home at the Gary W. Harris Canada Games Centre; the achievements of players and officials trained in, and representing, our province; the unveiling of our Parent Engagement guide; and the partnerships that benefit our participants across the province.

I would like to close this message on a personal note. The 2019 AGM marks the conclusion of my time as Chair of the Board of Directors. Vice Chair Fran Zinger is also not returning as her term has expired. And, as I shift to the position of Past President, long-time Board member Rob Virgil also will not be returning.

The new Chair and Vice Chair are poised to lead Hockey Alberta at a crucial time in its history, and I look forward to assisting in that process in my new role as we move towards 2020.

I would like to thank Fran and Rob for their years of dedication to Hockey Alberta and our sport. And I extend my thanks to everyone with whom I have had the pleasure of meeting and working with over these past two terms as Chair. My time as Chair has been very rewarding, and I am proud of what has been accomplished for our sport and our participants.

There is still lots of work to do, but I believe we are on the right path.

### 2018-19: CONTINUED GROWTH

According to its Mission statement, Hockey Alberta's central focus is providing positive opportunities and experiences for our players, regardless of location, age, gender, experience or ability.

The registration numbers for 2018-19 reflect another busy and successful season for Hockey Alberta, and the entire hockey community in the province.

## HOCKEY ALBERTA'S NEW HOME GARY W. HARRIS CENTRE

During the 2018-19 season, Hockey Alberta completed the transition to its new home in the Gary W. Harris Canada Games Centre at Red Deer College, after six years housed on RDC's main campus.

Part of Hockey Alberta's vision for this facility was the ability to host signature regional, provincial, national hockey events. Hockey Alberta was proud to host the first official events on the new ice surface – Super Skills and Female Development camps – in August 2018. From that early starting point, the organization never looked back.

Over the course of the first year, Hockey Alberta hosted more than 30 events at the Gary W. Harris Centre, ranging from morning skill development camps to week-long camps for players vying for spots in Hockey Alberta's high-performance programming.

Hockey Alberta's Volunteer team met in August to prepare for the 2019-20 season.

Along with the arena, facilities used included Hockey Alberta and RDC boardrooms, the RDC performance gymnasium, classrooms and labs, residence rooms, and food services.

More than 1,000 participants, from every corner of the province, had the opportunity to experience the state-of-the-art facilities. Two of the biggest events hosted at the new facility were the inaugural Female Hockey Day in December, and the Alberta Cup in April.

Other events and programs hosted by Hockey Alberta included:

Female Hockey Day in Red Deer.

### **FEMALE HOCKEY DAY**

Hockey Alberta's inaugural Female Hockey Day was held in December at the Gary W. Harris Centre. The event was an overwhelming success, with hundreds showing up to take part in the day-long celebration to show the hockey world #WhyWePlay!

Over 160 athletes took part in activities throughout the day, which included on-ice sessions for players and officials, and off-ice sessions, such as dryland training, parent education sessions, and sport ambassador sessions. Participants also had the chance to hear from a handful of players from the Calgary Inferno, who hosted the Toronto Furies in the first-ever Canadian Women's Hockey League game to be played in Red Deer.

One lucky athlete, Rozene Sabeti-Seidel, took to the ice with the Inferno during the pre-game skate, and stood with the team during the National Anthem - an honour she earned as the winner of the 'Experience the Dream' contest.

### **ALBERTA CUP**

A major highlight in Hockey Alberta's first year at the Gary W. Harris Centre was the hosting of the 2019 Alberta Cup in April.

The Alberta Cup is the final opportunity for Western Hockey League scouts to evaluate players eligible for the WHL bantam draft, and this year's event was part of a busy week as the WHL Awards and Bantam Draft were also held in Red Deer.

Kid Zone was a unique off-ice event hosted during the Alberta Cup.

The 2019 edition of the Alberta Cup featured six teams playing in a modified round-robin format tournament. Alberta Red defeated Alberta Black 3-1 to win the championship. It was also the first time that Hockey Alberta has ventured into live-streaming, as all tournament games were broadcast in partnership with HNLive.ca.

In addition, several special activities were held off the ice, including the Alberta Cup Kids Fun Zone. This fun, free and interactive activity corner utilized basic skills to being successful in hockey and attracted more than 100 school children on the Friday of the event.

# CANADA WINTER GAMES GOLD, BRONZE & LOTS OF MEMORIES

The 2019 Canada Winter Games were hosted in Red Deer in February/March 2019, with the Team Alberta U18 Female squad defending home ice by defeating Quebec 2-1 in a thrilling gold medal final.

Team Alberta finished third in Pool B, with a 0-1-2 record, but hit their stride in the playoff round where they defeated Manitoba 3-0 in the quarterfinals and BC 2-1 in the semi-finals.

Sarah Wozniewicz had a terrific tournament for Team Alberta by scoring five points in six games, while Jaden Bogden scored the winning goal in the gold medal game. Both Bella McKee and

Caroline Gosling were instrumental between the pipes during Alberta's run, with McKee sporting a .920 save %, one shutout, and the gold medal win, while Gosling finished with a 1.78 goals against average and a clutch semi-final overtime win.

The gold medal was Alberta's 100th medal of the 2019 Canada Winter Games, and second in hockey, with the Men's team winning bronze in week one.

The gold medalists received their rings at a celebration in Canmore in July.

The Team Alberta U16 Male squad rebounded from an 8-4 semi-final loss with a 12-0 win over Saskatchewan to claim the bronze medal at the Canada Winter Games. In the second matchup of the tournament between the two teams, Alberta avenged a 4-3 overtime loss from preliminary round action. Alberta's Minor Hockey Associations were well-represented amongst both Team Alberta squads, with 19 different associations represented on the roster: Airdrie, Alix, Beaumont, Beaverlodge, Beiseker, Bonnyville, Calgary, Cochrane, Edmonton, Fort Saskatchewan, Fort McMurray, Irma, Lethbridge, Lloydminster, Medicine Hat, Okotoks, St. Albert, Wainwright and Whitecourt.

### **ALBERTA'S OFFICIALS WELL-REPRESENTED**

Seven officials represented the province on the Road to Red Deer at the 2019 Canada Winter Games. Referees Mason Stewart (Calgary) and Austin Weisgerber (Medicine Hat), and linesman Derek Bandstra (Calgary) were part of the officiating crew for the male hockey competition in the first week of the Canada Games. Referees Cassandra Gregory (Edmonton) and Jessica Trombley (Sherwood Park), and linesmen Megan French (Coaldale) and Kelsey Hagan (Calgary) worked female action in week two.

### HOCKEY HELPS OPEN THE GAMES

Alberta's hockey history helped open the 2019 Canada Winter Games in Red Deer.

Del Billings, a Red Deer native, was a member of the University of Alberta team that represented Alberta at the inaugural Canada Winter Games in 1967 and won the first-ever gold medal in the sport. In 2019, Del and his wife returned to his hometown during the winter months for the first time in nearly 10 years, as volunteers at the 2019 Games.

But before they were put to work at a venue, Billings had the honour of representing the historic 1967 Men's Hockey team at the Opening Ceremonies as one of the final torchbearers, accepting the torch from Joan and Jack Donald.

Hockey Alberta had the privilege of hosting Canada's Governor-General, Her Excellency The Right Honourable Julie Payette. The Governor General was in attendance for the opening ceremonies, but also met with local dignitaries, including the Mayor of Red Deer, Tara Veer.

## RECOGNIZING YOUR HARD WORK

The annual Hockey Alberta Awards, sponsored by BFL Canada, recognize outstanding individuals and teams for their hard work and accomplishments in making a positive difference for participants across the province. The 2018-19 season saw the recognition of two sets of Hockey Alberta Award recipients during the same year, and the unveiling of new awards and restructured nomination

Traditionally, the Awards ceremony is held as part of the Annual General Meeting weekend. But with the shift of the AGM to November, it was important to recognize award recipients closer to the end of the season. The new-look awards structure now includes: Volunteer of the Year, Coach of the Year, Player of the Year, Minor Hockey Association of the Year, Official of the year, Team of the Year, and the Order of Merit, along with the long-time officials' awards in recognition of Ernie Boruk and Dave Ganley.

Hockey Alberta Award recipients recognized last season were:

## NATIONAL CHAMPIONS X 3

### ST. ALBERT SLASH MAKE IT A THREE-PEAT

A year after becoming the first team to repeat as Esso Cup champions, the St. Albert Slash became the first team to win Canada's National Female Midget Championship three straight years defeating the host Sudbury Lady Wolves, 4-1.

The Slash finished the preliminary round with a 2-0-1-2 (W-OTW-OTL-L) record, and then defeated the Saskatoon Stars 2-1 in overtime in the semi-final to advance to the gold medal game.

Then, in the championship final, St. Albert trailed 1-0 after the first period, but scored four straight goals to claim their third straight championship. In doing so, the Slash became the first team since 1996 to win three straight Hockey Canada club team championships at any level. Taylor Anker, Isabelle Lajoie, goaltender Brianna Sank, Makenna Schuttler, and Madison Willan shared the unique honour of having been on all three editions of the Slash to win the Esso Cup.

The Slash qualified for the Esso Cup by winning the Alberta Female Hockey League's Midget AAA division. The Slash defeated Calgary Fire in the provincial championship, and then defeated the Greater Vancouver Comets to earn the Pacific berth.

The Slash were also recognized during the year as the Alberta Sport Connection's Junior Team of the Year for 2018, and Hockey Alberta's inaugural Team of the Year for 2018.

**OF NOTE:** The Esso Cup will be hosted in Alberta in 2021 when the Lloydminster Steelers host the 13th edition of the event. The host Steelers will face off against five regional champions – Atlantic, Ontario, Pacific, Quebec and West – in their quest to capture a national championship at the 1,700-seat Centennial Civic Centre.

### AN ALL-ALBERTA ALLAN CUP FINAL

The 2019 Allan Cup featured the first-ever all-Alberta final in the 111-year history of the event, with the host Lacombe Generals claiming the national championship in front of their home fans, 5-2, over the Innisfail Eagles. For the Generals, it was the fourth National Senior Championship for the franchise in 11 years. It also the first time two teams from the same province met in the final since 1975. Chase Norrish, Jesse Todd (2), Dylan Nowakowski, and Cody Cartier scored for Lacombe. Justin Cox had both Innisfail goals.

### **BROOKS WINS JR. A TITLE ON HOME ICE**

The Brooks Bandits avenged a loss in the Doyle Cup to the Prince George Spruce Kings by defeating Prince George, 4-3, in the final of the 49th edition of the National

Junior A Championship on home ice in Brooks. The Bandits scored three first-period goals and then held on for the victory. It was the second national title for the Bandits, also winning in 2013, and Brooks became the fourth host in the last five years to win. Simon Boyko (2), William Lemay, and Nathan Plessis scored for Brooks, while Pierce Charleson was the winning goaltender.

## AROUND HOCKEY ALBERTA

The 2018 AGM was held at Red Deer College.

### **BOARD OF DIRECTORS**

Hockey Alberta welcomed three new members to the Board of Directors at the organization's 111th Annual General Meeting. Michael Bates of Cochrane, Francois Gagnon of Fort McMurray, and Wilson Gemmill of Grande Prairie were elected as Directors at Large, joining current members Terry Engen (Chair), Fran Zinger (Vice Chair), Rob Virgil (Past Chair), Len Samletzki (Finance Director), and Brock Harrington and Allan Mowbray (Directors at Large).

### MEMBERSHIP REVIEW

Hockey Alberta's Board of Directors created an Ad Hoc Committee to review Hockey Alberta's definition of Membership. Hockey Alberta had not reviewed its definition of Membership, as outlined in the Hockey Alberta Bylaws, in more than 20 years. The last thorough review of the Bylaws was approved by the Membership at the 2012 Annual General Meeting, and the definition of Membership within Hockey Alberta was not changed.

### STANDARDIZED TIERING

The 2018-19 season marked year one of the Alberta One Standardized Tiering Model. Hockey Alberta and its minor leagues worked together to build a model to enable leagues to adopt the same tiering, seasonal structure and other operational processes. Hockey Calgary, Hockey Edmonton, Central Alberta Hockey League, Northern Alberta Interlock, All Peace Hockey League and North Eastern Alberta Hockey League participated in the initiative.

### **GOALIE COACH SEMINAR**

Hockey Alberta hosted a Goalie Coach Seminar in Red Deer in May, with over 50 delegates attending. The seminar was part of the 2018-19 Goalie Development Plan which identified a need to support the development and education around goaltending. Presenting goalie coaches included Dustin Schwartz (Edmonton Oilers), lan Gordon (Seattle Thunderbirds), David Marcoux (formerly with Calgary Flames and Carolina Hurricanes), and Kraymer Barnstable (Red Deer Rebels).

A Goalie Coach seminar was held in Red Deer in May.

### **DEVELOPMENT LEADERSHIP WEEKEND**

## 14 AROUND HOCKEY ALBERTA

### **COACH CLINICS**

During the 2018-19 season, Hockey Alberta delivered over 150 NCCP courses and an additional 110 professional development courses focusing on topics such as Seasonal Planning, Game and Bench Management, Practice Planning, and Creating Offense. To Hockey Alberta's capacity to support the province's coaches, applications were sought from experienced and passionate leaders to become Coach Developers, and assist in the delivery of NCCP coach courses and additional coach development initiatives.

Coaching skills were stressed in several development sessions throughout the season.

### **OUR CHANGING SPORT**

Change, and its impact on the sport of hockey, was the major theme of Allyson Tufts in her keynote address to open the 111th Annual General Meeting weekend for Hockey Alberta in November. Tufts is a nationally recognized author of "Lessons From Behind the Glass". In her presentation to more than 100 minor hockey association representatives and Hockey Alberta volunteers, Tufts reminded them of the key role they play in the development of our youth. And she stressed that in this digital age of cell phones and social media, the hockey rink has emerged as the new "safe house" for our youth -

Allyson Tufts, renowned author, was the keynote speaker at the AGM.

where the phone is put away, and there is an opportunity for adults to talk and be heard.

### PARENT ENGAGEMENT PLAN

Parents are integral part of the minor hockey system and are a key to ensuring that their children can play hockey. Depending on the day, a parent can be a supporter, advocate, chauffeur, equipment manager, or dietician, making sure that their children can experience and have fun participating in the sport of hockey. Hockey Alberta unveiled a new set of resources in September designed to support and assist parents in providing the most positive experience for their young players. Information available on the Parents tab at hockeyalberta.ca includes articles from various publications, tips from experts on nutrition and social media, and updates from Hockey Alberta.

### **ALBERTA BUILT SKILLS**

During the 2018-19 season, Hockey Alberta, through its Regional Centres, operated more than 40 skill development clinics and camps across the province. Every Hockey Alberta camp featured:

- **ALBERTA BUILT Instruction:** All instructors Hockey Canada trained, and include Hockey Alberta staff, and WHL/ Team Alberta graduates.
- **ALBERTA BUILT Skills:** Skills and tactics taught correspond to the Long Term Player Development model. The right skills at the right time for your child.
- **ALBERTA BUILT Locations:** Camps are scheduled across the province, at arenas near you.

# PROVINCIAL CHAMPIONSHIPS UNDERGOING CHANGE

The 2019 Hockey Alberta Provincial Championships, presented by ATB Financial, had a little different look than previous years.

Hockey Alberta was pleased to have ATB Financial back for the fourth consecutive year as the sponsor of the Provincial Championships, which included having local ATB representatives helping on-site at many provincial events. There were 40 provincial champs crowned, ranging from Atom to Senior AAA, with events hosted at locations ranging from Grande Prairie to Fort Macleod to Cold Lake.

Atom A champs - La Crete Lumberjacks

But there was a significant change in the Peewee Division, where Hockey Alberta undertook a trial that saw the Peewee A-D championships transition to Peewee Tiers 1-4 based on the new standardized tiering model implemented for the 2018-19 season.

The Peewee events featured eight teams - the host, a wild card, and the champions from Hockey Calgary, Hockey Edmonton, Central Alberta Hockey League, Northern Alberta Interlock, All Peace Hockey League, and North Eastern Alberta Hockey League. Overall, a total of 321 teams had the opportunity to compete for a berth in Peewee Tiers 1-4 Provincials through league play which was an increase of over 100 teams from previous seasons.

Based on the outcome of the trial, the format is being extended to the Bantam and Midget divisions for 2020, eliminating Zone playdowns at those divisions, as well.

Tyler Smith, a member of the Humboldt Broncos, was a special guest at the Midget C provincials in Whitecourt.

Springbank Rockies, Good Deeds Cup semi-finalists.

### RED DEER COLLEGE

RDC and Hockey Alberta celebrated their long-time partnership in April with a ceremony in the Hockey Alberta boardroom to recognize Hockey Alberta's \$1.5 million investment in the Gary W. Harris Centre. The partnership between Hockey Alberta and RDC began with a Charter in 2011, when Hockey Alberta moved its head office onto RDC's Main Campus. The partnership allowed RDC and Hockey Alberta to pursue a new facility to support the development of the sport.

### **GOOD DEEDS CUP**

The Springbank Rockies Peewee AA team represented Alberta as the province's semi-finalist in the 2018-19 edition of the Chevrolet Good Deeds Cup. Ten teams from across the country were selected as semi-finalists from 301 entries. Springbank supported The Nathan O'Brien Children's Foundation and the Calgary Food Bank. Nathan was a member of the Springbank Rockies Timbit Senators at the time of his tragic death in 2014. The team made a significant contribution to the Calgary Food Bank, filling a 53-foot trailer with almost 17,000 pounds of food and collecting nearly \$5,000.

The Good Deeds Cup is partnership between Hockey Canada, Chevrolet, and member branches. The Cup is open to all Peewee teams, and features two aspects:

- Teams apply for a free Good Deeds Cup Team Kit which includes a coach's hockey bag, 10 practice pucks, and 24 lace bracelets. In Alberta, more than 630 Peewee teams registered for a Team Kit.
- Teams undertake a "good deed" in their community and submit a video of their endeavor. The winner of the Good Deeds Cup earned \$100,000 for the charitable organization the team is supporting.

### **DODGE CARAVAN KIDS**

The Dodge Caravan Kids Program is a joint effort where Hockey Alberta, participating minor hockey associations and Chrysler, Dodge, Jeep, Ram retailers work together to provide up to \$500 in funding and access to exclusive hockey benefits to novice level hockey teams. In 2018-19, 250 Novice teams in Alberta enrolled in the program.

## WORKING TOGETHER PARTNER PROGRAMS & SERVICES

### THE FIRST SHIFT

The First Shift helps children, aged 6-10, fall in love with hockey. The six-week learn to play program focuses on having fun while learning basic skills. Registration is just \$199, which includes full head-to-toe equipment. Each year, minor hockey associations across Alberta apply to host The First Shift, as a way of attracting potential new members to experience the sport, and then hopefully register for regular programming upon completion. Hockey Alberta hosted The First Shift program in Red Deer in the fall of 2018. Other programs in 2018-19 in Alberta were hosted in: Airdrie, Calgary, Edmonton, Lamont, Leduc, Lethbridge, Onoway, Peace River, Strathcona, and Westlock.

### **COACH OF THE MONTH AND PLAYERS BENCH**

Hockey Alberta partnered with Players Bench Team Apparel as the new sponsor of the Coach of the Month Award. One minor hockey coach was selected each month from October through March and received a coaching package from Players Bench Team Apparel valued at over \$500. Coach of the Month winners were: Dan Cavanagh of Calgary; Danielle Wheeler of Stettler; Cam Church of Irvine; Ron Laferriere of Wainwright; Jason Rietveld of the Edmonton Adaptive Sports Association (EASA); Chris Overwater of Olds; and Dave Shaw of Sherwood Park.

### **LACOMBE FORD/ DRAYTON VALLEY FORD**

A new partnership between Hockey Alberta and Lacombe Ford/ Drayton Valley Ford made Hockey Alberta's vehicles much more recognizable when travelling around the province. The partnership saw Lacombe Ford/Drayton Valley Ford support Hockey Alberta with a 2018 Ford Flex and Ford Explorer for two years. The vehicles are easily identifiable thanks to eye-catching wraps on each vehicle.

### **AFHL AND HEADCHECK**

The Alberta Female Hockey League and HeadCheck Health entered a partnership to supply all teams with mobile and web-based technology to follow the league's concussion protocol and record and share vital information on suspected concussions with medical professionals. Team trainers, athletic therapists, and safety personnel can use HeadCheck's mobile app to document suspected concussions, perform concussion assessments and transfer the information to medical professionals to safely return players to the ice.

### GO-GIRL

Hockey Alberta staff took part in the 16th annual Go Girl event in Red Deer to introduce over 100 Grade 5 girls to floor hockey. The girls worked on the basics of passing and stick handling, culminating in fun small area games. This year had nearly 800 Grade 5 girls from Red Deer schools participate to gain new skills and knowledge while building friendships.

## EVERY KID EVERY COMMUNITY

### MAKING A DIFFERENCE

Every Kid Every Community (EKEC) was launched in 2011, with the goal of providing the gateway to play hockey for any child in Alberta interested in the sport.

Hockey Alberta and Hockey Alberta Foundation work together to help anyone in Alberta experience our sport for the first time.

Hockey Alberta Foundation is responsible for the fundraising. Funds are generated through special events such as the annual Golf Classic, Alberta Hockey Hall of Fame Awards Gala, and the Every Kid Every Community Speaker Series. Contributions also come from individuals, organizations and companies that have become a Teammate in the EKEC Donor Club, or have made EKEC their charity of choice, such as the Glencross Roughstock Rodeo and the Piper Creek Optimist Club.

Hockey Alberta assesses applications, and awards funding to assist amateur sports organizations, minor hockey organizations, youth and recreation groups with their event or project to help get local kids active in hockey. In 2018-19, a total of \$45,500 was disbursed through Player Assistance Grants and Program Grants.

Program Grants are awarded for projects that create a new program or support an existing program designed to recruit new players to the game. Program Grants were provided to:

- Edmonton Adaptive Sports Association: Sledge Hockey program ice costs
- Warriors Youth Rec Hockey Team (Girouxville): Family Pond Hockey event
- Lethbridge Minor Hockey Association: Female program for new players
- Millwoods Hockey Association (Edmonton): Development sessions for new Canadians
- Thorsby Minor Hockey Association: Full board rink dividers
- Delia School: Hockey/skating program.
- 3C's Minor Hockey Association: All-girls ice sessions with female instructors
- Bruderheim Minor Sports: Rink dividers
- · Wetaskiwin Minor Hockey: Female hockey program

### MESSAGE FROM FOUNDATION BOARD CHAIR

The Hockey Alberta Foundation invests in the game, kids, community, leaders and history in Alberta, and continues its work across Alberta's hockey communities through the Every Kid Every Community program.

Every Kid Every Community gives kids the chance to play hockey by eliminating barriers to their participation and by supporting the next generation of community leaders.

And over the years, we have made a difference. Funds generated through the Hockey Alberta Foundation have helped in training more than 300 future leaders and providing program grants for more than 200 new hockey initiatives in more than 100 communities. In total, we have contributed more than ONE MILLION DOLLARS in funding towards player fees and equipment, scholarships, and grassroots and mentorship programs.

Last year alone, we impacted more than 6,700 individuals through support to events such as True Spirit of Hockey Day, Future Leaders, Future Coaches, and the Alberta Cup Kids Zone.

The Kids Zone was a new event, where 120 students from three schools learned basic hockey skills from Hockey Alberta staff and volunteers. Some of the participating students had been in Canada for less than three months and spoke very little English. What a great way to attract new players!

But we can't do it without the support of our TEAMMATES - donors, sponsors, leaders and volunteers who help in communities across Alberta. The Hockey Alberta Foundation remains about YOU, our generous TEAMMATES so others can experience the great feeling of being involved in hockey.

To all donors, golf celebrities and participants we could not do our work without

As our work continues and the need for resources grows please consider the Hockey Alberta Foundation your TEAMMATE and your "Hockey Charity of Choice".

### **GOLF AND GALA - \$129.000**

The Every Kid Every Community program received \$129,000 from the Alberta Hockey Hall of Fame Awards Gala and Hockey Alberta Foundation Golf Classic, presented by ATB Wealth.

The three-day set of fundraising events in Canmore in July began with the AHHF Awards Gala at the Coast Hotel, with money raised for EKEC through a wine pull, silent auction, and live auction.

The 13th annual HAF Golf Classic, presented by ATB Wealth, was held at Silvertip Golf Course. The Talking Goalie once again withstood a barrage of shots from golfers throughout the day, raising \$8,700, with challengers supporting either the Calgary Flames or Edmonton Oilers. The Calgary Flames Foundation and the Edmonton Oilers Community Foundation each matched the amount raised in their name, bringing the total raised by the Talking Goalie to \$17,400. The Silvertip Charitable Foundation also donated \$25,000 back to Every Kid Every Community, while the Shaw Charity Classic Birdies for Kids program contributed \$10,000.

A special thank you to the Flames Foundation and Edmonton Oilers Community Foundation for their charity challenge contributions; the event's title sponsor, ATB Wealth; and key contributing sponsors Vada Capital, Pillar Capital Corp, Q2 Artificial Lift Services, ATB Financial, and the Gord Bamford Foundation.

### **RINKS TO LINKS**

Hockey Alberta and the Hockey Alberta Foundation partnered with HEROS Hockey from Calgary for the 2019 Rinks to Links program.

The day started with a bus trip to Canmore, where the kids hit the driving range and putting green at Silvertip Golf Course, with a lesson from the course professionals. After lunch, the group travelled to the Canmore Recreation Centre, where they were treated to a tour of the Canmore Eagles' dressing room before hitting the ice for a one-hour on-ice session, with instruction from Hockey Alberta staff, and members of the Eagles coaching staff.

On behalf of all Rinks to Links participants, thanks to ATB Wealth, Silvertip Golf Course and the Canmore Eagles for their support.

### **2018 GLENCROSS ROUGHSTOCK EVENT**

For the second consecutive year, the Glencross Invitational Charity Roughstock Event contributed \$190,000 to Every Kid Every Community and Ronald McDonald House Charities Central Alberta.

The August event, co-sponsored by ATB and Calgary Flames Foundation, included a sponsor-only poker tournament and the charity rodeo. The Hockey Alberta Foundation and Every Kid Every Community has been a beneficiary of the event since its inception.

In total, over the seven years of the Roughstock event, more than \$1.6 million has been raised. Curtis Glencross was joined by several event organizers at Ronald McDonald House to present cheques to the event beneficiaries.

### **GORD BAMFORD - HOMETOWN HOCKEY**

A generous donation, on national television during Rogers Hometown Hockey, by the Gord Bamford Foundation to the Hockey Alberta Foundation provided the hot news during Rogers Hometown Hockey stop in Leduc.

Bamford was one of the special guests at the event, and he showed his love for the sport, and the kids who play hockey, in two ways. When Bamford took to the stage for a song, he was proudly sporting a Team Alberta jersey. Then, he presented a cheque for \$10,000 in support of the Every Kid Every Community program.

### **EKEC SPEAKER SERIES**

The Hockey Alberta Foundation hosted two stops on the Every Kid Every Community Speaker Series in 2018-19.

The first was held in Lethbridge in December with support from Kirk's Tirecraft, Lethbridge Hurricanes and ATB Wealth. The afternoon featured Lethbridge Bronco alumni Bryan Trottier and Brian Sutter. Trottier, a former New York Islander and Stanley Cup champion, shared stories with Sutter, the former St. Louis Blues captain, in a Hockey Hot Stove. The Lethbridge Hurricanes have also committed all proceeds from the chuck-a-puck contest during the game to the EKEC program.

Then, in February, in conjunction with Vegreville Minor Hockey and KidSport Vegreville, the Speaker Series visited Vegreville. The evening featured former NHL players Rob Brown and Jason Strudwick in a candid Hockey Hot Stove. All proceeds from the event went to Vegreville Minor Hockey, KidSport Vegreville and the Every Kid Every Community program.

### **BIRDIES FOR KIDS**

The Hockey Alberta Foundation was accepted as a participating charity in the 2019 Birdies for Kids program. The program is designed so that the Hockey Alberta Foundation will receive 100% of every donation accepted on its behalf and allows for additional funding of up to 50% of the original donations made.

### TEAMMATES HELPING TEAMMATES

Two minor hockey teams in Alberta got the opportunity to see the Calgary Flames in action, and support the Every Kid Every Community Grant Program, through the Teammates Helping Teammates raffle. As part of the raffle, teams were encouraged to consider Every Kid Every Community as a charity of choice for their fundraising efforts. And for a \$100 donation, a team had a one in 50 chance to see the Flames.

### PIPER CREEK OPTIMIST CLUB

The Hockey Alberta Foundation partnered with the Piper Creek Optimist Club of Red Deer for the third straight year to present the Battle of Alberta Fundraiser, benefiting the Every Kid Every Community program. In two years, the Battle of Alberta event has raised over \$40,000 for Every Kid Every Community, as well as \$8,000 for additional youth programs in Central Alberta.
