## Regional Service Area Meetings

Over the past season, Hockey Alberta has undertaken a review of the service structure to ensure that we can provide more support, service and guidance to our MHAs on a regular basis, while also connecting our administration processes with the Minor Hockey playing areas.

Hockey Alberta's vision is the alignment of Minor Playing and administration areas. Based on the review, Hockey Alberta has implemented changes to the service structure that eliminates the previous structure of nine Zones. The new structure features Regional Service Areas that align our Regional Centres and the MHAs they service.

Below is the meeting schedule, per Regional Service Area, to provide an update on these changes and meeting the staff and volunteers for these areas.

DATE	TIME	REGIONAL SERVICE AREA
Tuesday, September 15	7:30 PM – 8:30 PM	Northwest
Wednesday, September 16	7:30 PM – 8:30 PM	Northeast
Thursday, September 17	7:30 PM – 8:30 PM	North Central
Tuesday, September 22	7:30 PM – 8:30 PM	Central
Wednesday, September 23	7:30 PM – 8:30 PM	South Central
Thursday, September 24	7:30 PM – 8:30 PM	South

These meetings are open for all MHAs in the Regional Service Areas.
