

MEMORANDUM

DATE: November 2, 2018

TO: All Registered Officials

FROM: Curtis Nichols
Manager, Officiating

SUBJECT: Officiating Video Partnership with WHL

Hockey Alberta is pleased to announce a special partnership with the Western Hockey League, Hockey Manitoba, Saskatchewan Hockey Association and BC Hockey.

The partnership will see the production of a series of videos that will be shared with all officials in Alberta and the other Western Branches.

“These videos address multiple aspects of officiating that relate to the beginner official all the way up to our most senior and elite officials. The topics will include game preparation, communication, body checking vs body contact, and more. It is my hope that you will take the time to watch the videos as they are shared with you this season, as I know you will find them informative and specific to challenges and questions we all encounter on a daily or weekly basis.”

Craig Decoursey, Hockey Alberta Referee in Chief

This is an exciting opportunity for all officials to learn from some of the best officials in the country. The link to the first video is included below, and you will receive an email from Hockey Alberta each time that a new video is available for viewing. The videos will be uploaded to Hockey Alberta's YouTube channel, so you can always access them on your computer, tablet or mobile device.
