SUBJECT: Alternate Season Transfer Requests

Last season, Hockey Alberta announced the implementation of standardized alternate season programming. Through the alternate season model Hockey Alberta has provided sanctioning for two upcoming events. Native Provincials is hosted by the Alberta Native Hockey Council and will run from April 6-9; and the Alberta Treaty Hockey Championship is hosted by the Alberta Treaty Hockey Association and will run from April 12-17.

Native Provincials and Alberta Treaty Hockey Championship have been granted access to the Hockey Canada Registry (HCR) to complete player and team official registrations. Over the next two (2) months you may be receiving transfer requests for members registered to your minor hockey association that will be participating in one or both of the above mentioned events. The transfer type for alternate season transfer requests should appear as a “share for a year”. Hockey Alberta requests that Minor Hockey Associations review the alternate season transfer requests in a timely manner. If there are any concerns as to the status or eligibility of the member being requested, please “Add Note” to the transfer request detailing those concerns. During the approval process, all transfer requests will be marked as “Approve (Share)” to ensure that the Minor Hockey Association maintains their primary association status with the members HCR record.

If you have any questions or concerns, please don’t hesitate to contact myself or Bryden Burrell – Hockey Operations Coordinator, at the Hockey Alberta office at 403-342-6777.
