**Bulletin No: 18/14**

Date: May 28, 2019

**SUBJECT: 2020 Provincial Championship Trial Project**

---

During the 2018-19 hockey season, Hockey Alberta completed a trial project at the Peewee division to implement, test and review a new Provincial Championship Model under the Alberta One initiative. Under this trial, the previous Peewee A-D Provincial Championships transitioned to Peewee Tiers 1-4, with teams qualifying as League Champions from six Minor Leagues/ organizations.

Representatives from Hockey Alberta's Minor Regulations and Minor Leagues Committees have reviewed the data and feedback from the trial project in order to make the most informed decision going in to the 2020 Provincial Championships. ***(A summary of data pertaining to the Peewee division trial project is included at the end of this Bulletin. Enclosed with this Bulletin is a more detailed report of the trial project statistics along with other Provincial Championship divisions.)***

Committee members believe the trial project was successful in laying the foundation for the possible Provincial Championship structure of the future. However, it was agreed that one season is not enough to make a final decision related to the Provincial Championship structure.

Therefore, based on the review of the 2019 Peewee division trial project and taking into consideration results at the Bantam and Midget Zone Provincial Playdowns and Provincial Championships, which saw teams categorized based off league play, tiering, tournament and exhibition play through Minor Regulation 9.1 (c), it has been unanimously agreed to extend and amend the Provincial Championship Trial Project for the 2019-2020 season.

## **The 2020 Provincial Championship Trial Project Highlights**

<b>Divisions</b>	Peewee, Bantam and Midget

# INFORMATION BULLETIN

The Bantam Tiers 1-4 Provincial Championship Tournaments will take place on the weekend of March 19-22, 2020, while the Pee wee and Midget Tiers 1-4 Provincial Championship Tournaments will happen on the weekend of March 26-29, 2020.

The events will consist of eight teams comprised of the league winners from the six above mentioned leagues/ organizations, one host team and one league runner-up that will be identified as a wild card team by the Minor Regulations and Minor Leagues Committees. Leagues/ organizations will be scheduling play to ensure that league champions are determined no later than Sunday, March 8 (Bantam) and Sunday, March 15 (Pee wee and Midget).

Please note that with Hockey Calgary and Hockey Edmonton operating non-body checking hockey at the Bantam and Midget Tier 4 categories, they have chosen not to participate in these events.

Provincial Championships at the Atom division will remain unchanged from past seasons. Minor Hockey Associations will declare their teams by December 1 with Zone Playdowns commencing in January.

Bid information on hosting any of the 2020 Provincial Championships will be communicated to all Minor Hockey Associations this summer. All dates for the 2020 Hockey Alberta Provincial Championships are enclosed for your reference.

## **Peewee Division – Provincial Championship Trial Project Summary**

The need for change to Hockey Alberta's Provincial Championships structure became apparent, and was requested by Hockey Alberta's membership, for several reasons:

1. Statistics continually showed that approximately 25% of all Zone Playdown and Provincial Championship games consisted of a spread of six or more goals.
2. It was noted that over 50% of teams who were eligible for Provincial play chose not to participate.
3. Zone Playdowns continued to contribute to a greater demand on teams to play additional games throughout an already busy January and February.

In reviewing the results of the Peewee trial project compared to the previous Peewee Provincial Championships, the following was noted:

- Peewee Tier 1 (A) had 73.3% of all games end with a goal differential of two or less, an increase of 40% over the past three season average (33.3%). 93.3% of games ended with a goal differential of five or less.
- Peewee Tier 2 (B) had an increase in the games with a goal differential of two or less (40.0% to 46.7%), but a decrease in the number of games with a goal differential of five or less (37.8% to 26.7%).

# INFORMATION BULLETIN

- Pee wee Tier 3 (C) remained relatively similar, with the same number (40%) of games with a goal differential of six or more, while there was a decrease in the number of games with a goal differential of two or less (24.4% to 13.3%), but an increase in the number of games with a goal differential of three to five (35.6% to 46.7%).
- Pee wee Tier 4 (D) had a decrease in the number of games with a goal differential of two or less (31.1% to 26.7%) and three to five (40.0% to 33.3%), but an increase in the number of games with a goal differential of six (6) to (9) (17.8% to 33.3%).
- A total of 321 teams had the opportunity to compete for a Pee wee Tier 1 – 4 Provincial Championships through League play. An increase of over 100 teams, based on the average of 202 teams the previous three seasons.
- Based on a three-season average, 255 Pee wee Provincial Playdown games were avoided.

Pee wee Provincial Championships: Goal Differential % (2019 vs. 2016-2018 Average)

The Committees felt it was important to note the following factors which may have contributed to the results of the trial project:

- The Pee wee Tier 1 Provincial Championships consisted of 15 games, while previously the Pee wee A Provincial Championship consisted of 23 games.
- At the Pee wee Tier 2, 3 and 4 divisions, Hockey Calgary and Hockey Edmonton participated, while in previous seasons they did not participate at Pee wee B, C and D.
- The potential impact of one or two players, who participate with an association with only one Pee wee team, who chose not to access their Pee wee AA regional program or a higher level of hockey.

Changes to the Alberta One Standardized Tiering Model are required and are already ongoing to truly bring the Alberta One initiative to fruition. These changes will be communicated shortly via a separate memorandum from Hockey Alberta.
