Permission must be obtained from the Zone Minor Regulation Coordinator.

- 3.9 Team Officials participating "on the bench" with any duly registered Hockey Team must be duly registered in the Registry prior to participating with said team.
- 3.10 Team Officials participating "on the bench" with more than one (1) Hockey Team in the same season shall be duly registered with each and every Team of which he/she is a member prior to participating with the respective team(s).

4. Leagues

- 4.1 In order for a League to have Hockey Alberta recognition, it shall submit its League Bylaws and Regulations and a list of the names and addresses of the officers not later than June 30 of the current Hockey Season to the Hockey Alberta office. Any amendments to the Bylaws and Regulations of any such League amending the approved Bylaws and Regulations must be registered with HA and approved prior to implementation.
- 4.2 All Hockey Players playing in a League must be registered with a LMHA.
- 4.3 All games involving League members are deemed to be under the jurisdiction of Hockey Alberta and all Hockey Alberta rules and regulations will apply.

5. Player Movement

The Alberta Development Model determines Player Movement regulations for players involved in participation of Teams within the Elite Hockey stream (see Appendix "III" and "IV").

The "AA" Hockey Model determines Player Movement Regulations for players involved in participation within the "AA" Hockey stream (see Appendix "II").

5.1 Residency

- (a) Except as hereinafter provided, no Player shall be registered as a member of or compete for a Hockey Team in any LMHA unless that Player is a Resident Player of the LMHA.
- (b) A Player's residence shall be determined by reference to the residence of his or her parents/legal guardians (as defined in Hockey Canada Regulations).
- (c) Players must play in the LMHA within those Boundaries they reside where said Boundaries have been established, mutually agreed upon by associations and/or recognized by Hockey Alberta.
- (i) In all other cases, including those where there is no Hockey Team in a Player's resident LMHA at his age division, a Player shall play in the LMHA whose recognized physical limits are closest to their place of residence when measured along recognized, all weather government roadways.
- (d) A Player may not establish residency for the principal purposes of playing or practising hockey.
- (e) A Player who prior to the establishment of Boundaries was registered with a particular LMHA and who has played all of his minor hockey with that LMHA will be recognized as a "resident" of that LMHA.
- (f) Siblings of such Players registering in Minor Hockey for the first time shall have the one time choice of registering as a "Resident" Player with either the LMHA with which the older sibling is registered or the LMHA in which the Player resides.

- (g) No player of Midget age or under can be transferred from Branch to Branch to register and play other than Major Junior hockey unless such Player transfers with his parents or legal guardian and continues to live with his parents or legal guardian.

5.2 Permission for Player Movement

- (a) A Player must first obtain a Player Movement Form from his/her Resident LMHA prior to being transferred, in the Registry, to any other LMHA.
- (b) Prerequisites

In order to obtain permission for Player Movement, a Player must first:

- (i) obtain a Player Movement Form from their Resident LMHA;
- (ii) make the designated Hockey Team indicated on the Hockey Alberta approved Player Movement form;
- (iii) obtain permission from the LMHA accepting the Player, indicating that they accept the Player as a Non-Resident Player and accept the potential import numbers the Player brings with him/her;
- (iv) pay any outstanding fees or other financial obligations owing to the LMHA being asked for the permission;
- (v) provide written confirmation of the prerequisites being met to the LMHA being asked for the permission.

5.3 Procedure

Once the Player has met the prerequisites and the permission has been obtained, the Player must ensure that the proper form is completed and submitted at the time of registration for the current Hockey Season to Hockey Alberta.

- (a) failure to complete and submit the proper form at the time of registration will result in the Player being not registered and ineligible to play in any game;
- (b) in cases where a Player is found to have played in game without first having completed or submitted a required form, the Team Officials of the Hockey Team with which the Player has played will be subject to discipline in accordance with Minor Regulation 12.

5.4 All player movement will result in players returning to their Resident LMHA at the end of the current Hockey Season.

5.5 Permission to Try Out Refusals

Permission to Try Out may be refused in situations where:

- (a) The granting of permission to the Player leaves the LMHA with insufficient numbers to field a Hockey Team at the Player's age division to participate in Provincials for the current Hockey Season. This applies to the first team and any other team in the Player's age Division proposed by the LMHA.

- (b) The Player requesting the permission intends on registering with a new LMHA that is at the same or lower Category as his resident Local Minor Hockey Association or, if applicable, the LMHA with which he was registered in the previous Hockey Season.
- (c) The Player is requesting the permission for reasons other than playing at the highest Category of which he is capable (i.e. dislike of a coach, dislike of ice time, etc.).

5.6 Player Movement Exceptions

- (a) Player movement in the following cases only requires the written approval from the Hockey Alberta Zone Minor Regulation Coordinator:
 - (i) where two LMHAs by mutual agreement combine participants of the same age Division in order to be able to field one team at that age Division for the current Hockey Season;
 - (ii) where one LMHA, having no available player allotments in a Division, agrees to allow one or more players to participate in another association.
- (b) No Release will be issued to these Player(s).
- (c) In these circumstances, at the end of the current Hockey Season, these Players will return to their resident LMHA.

6. Releases

- 6.1 A Release (as defined in General Regulation 1. – Definitions) is available to be issued, via the Standard Release Form, as a method of permanent movement for special circumstances within Minor Hockey (ie – conduct).
- 6.2 Midget aged Players registered in the Division of Junior cannot be released after November 1 of the current season. Any Officer or Executive Member of a Hockey Team found guilty of being in violation of the above rule shall be suspended until dealt with by the CEO, or designate.

7. Affiliation

The Alberta Development Model determines Affiliation regulations for players involved in participation of Teams within the Elite Hockey stream (see Appendix "III" and "IV").

The "AA" Hockey Model determines Affiliation Regulations for Teams involved in participation within the "AA" Hockey stream (see Appendix "II").

- 7.1 Affiliation must be declared and filed with the CEO, or designate, prior to the affiliated Player being allowed to participate in any game with the Hockey Team to which he is affiliated. Affiliations will be accepted and endorsed by the CEO, or designate, up to and including December 15 of the current Hockey Season.
- 7.2 Affiliation will only be recognized where:
 - (a) Players are added to Teams in the Registry and identified as "Affiliates";

- (b) the CEO, or designate, acknowledge receipt of and identify said players as approved prior to an affiliate Player participating in any game with the Hockey Team to which he/she is affiliated;
- (c) the affiliation has been endorsed by the President of the applicable LMHA.

Note: All affiliations shall terminate at the end of the current playing season.

- 7.3 Any Player participating in any game as an affiliated Player without the approval of the CEO, or designate, shall be considered an Ineligible Player and team officials subject to discipline in accordance with Minor Regulation 12.
- 7.4 A Hockey Team may affiliate up to nineteen (19) Specially Affiliated Players from a lower Division or Category within their LMHA.
- 7.5 Affiliations will not be deemed to have taken place automatically without properly filing said affiliation through the Registry.

Note: A Player must obtain a "Named Player Affiliation Agreement" form when selected as a specially affiliated player to a team within the "AA" Hockey Model or Elite Hockey Stream (ADM).

- 7.6 (a) Affiliated players may participate in League, Exhibition, Tournament and Provincials;
- (b) Players registered within the Division of Initiation are not eligible to participate as an Affiliate Player in Provincial games.
- (c) Players participating on teams that involve two (2) or more LMHAs based on a need to create one (1) Team in a Division for the area (lack of Players) are permitted to affiliate with a team of a higher Division from their own Resident LMHA. Players are only eligible to affiliate to one (1) Team. This request must be made in writing from the LMHAs involved in the request to the Hockey Alberta Minor Administration Coordinator for approval or non-approval. Upon approval from Hockey Alberta, the requesting LMHAs would be given the allowance.

Example: Centre A has seven (7) Bantam Players, Centre B has six (6) Bantam Players so Centre A and B combine to field a Team of thirteen (13) Players that are registered out of Centre A. If there is a Midget team in Centre B, the six (6) Bantam Players from Centre B now registered in Centre A will be able to affiliate with the Midget Team from Centre B. This affiliation will be on a named player basis and Players are only eligible to affiliate to one team.

- 7.7 Female players playing on Minor Male hockey teams may be permitted to affiliate to Female Teams, upon consideration of application to the Minor Administration Coordinator, in consultation with the Minor Female Regulation Coordinator.

- 7.8 Providing affiliation has been properly filed, an affiliated Player may play with the Hockey Team to which the Player is affiliated up to a maximum of ten (10) games, excluding exhibition and tournament games. Should an affiliated Hockey Player play more than ten (10) games with the Hockey Team to which the player is affiliated, he shall be considered an "Ineligible Player". However, if the player's registered team completes its regular season and playoffs before the player's affiliated team, the player may thereafter affiliate an unlimited number of times.
- 7.9 Appearance of a registered Player's name on the official game report shall be considered participation in the game except in the case of an alternate goalkeeper, in which case actual participation only shall be considered as taking part in the game and such participation shall be specially noted on the official game report.
- 7.10 Novice Affiliation

* Novice to Novice and Initiation to Novice Affiliation Only

The principle of affiliation to the Novice Division is to provide for replacement players when regular team players are sick, injured or otherwise unavailable. The following rules will apply:

- (a) Affiliated players will only be allowed in situations where registered team players are unavailable to the team because of:
 - (i) sickness;
 - (ii) injuries;
 - (iii) inadequate number of registered team players to play a game.
- (b) When a Team has less than twelve (12) registered players Affiliated Players may be used to increase the number of players on a game sheet to a maximum of twelve (12) players (i.e. - when Affiliated Players are used in a game the maximum number of players allowed to be placed on a game sheet is twelve (12)). This maximum number of twelve (12) includes the total of both registered team players and Affiliated Players.
- (c) Prior to playing any Affiliated Players the use of such Players must be endorsed by the President (or his/her designate) of the LMHA. This shall be done by registering an "Affiliated Player" in the Registry and in compliance with Minor Regulation 7.10(e), below.
- (d) Affiliations must be from a lower tier or age group within the LMHA, except:
 - (i) in LMHA's where ALL Novice Hockey Teams are equal (balanced), the teams MAY affiliate players from another equal novice team(s);
- (e) Novice Affiliations must be added to the Teams in the Registry by the LMHA and identified as approved by the CEO, or designate, prior to the affiliated player being allowed to participate in any game with the hockey team to which he is affiliated. Affiliations will be accepted and approved by the CEO, or designate, up to and including December 15 of the current Hockey Season.

- (f) A Player Affiliated to, or within, the Division of Novice may not play more than five (5) games with the affiliated team in the current Hockey Season, excluding exhibition and tournament games. After five (5) games, such player will be an ineligible player and HA rules respecting playing an ineligible player will be enforced.
- (g) All Affiliation rules set out by Hockey Alberta must be followed for using affiliated players, subject to the exceptions listed above.

NOTE: There will be no affiliation allowed WITHIN the Division of Initiation.

8. Provincial Categorization

PROVINCIAL CHAMPIONSHIP PHILOSOPHY: The philosophy of Minor Hockey Provincials in Alberta is that it is a competition for associations with like sized Divisions competing their programs against one another.

*Note: Calgary and Edmonton Minor Hockey Associations are exempt from this process. Their participation in Hockey Alberta Provincials will be determined appropriately in conjunction with Hockey Alberta's Minor Regulation Committee.

- 8.1 Provincial Categorization is based on the number of Players registered in each LMHA, in each Division, based on actual registration (excluding; Players registered on Minor Female, AA and Elite Hockey teams in the current Hockey Season).

Clarification: Those associations with Minor Female, AA and Elite (AAA) Stream teams will not have the registration numbers from those teams count towards their Provincial Categorization as outlined below.

- 8.2 No LMHA may declare a Player "ineligible for Provincial Play" in order to avoid moving them up a category for Provincial Play. January 10 is the deadline to release Players.

- 8.3 Categorization for Provincials will be as follows:

Number of Registered Players in an Association's Division

AA Major	115 + (Atom only)
AA Minor	58-114 (Atom only)
A	41-57 (41+ for Peewee, Bantam and Midget)
B	24-40
C	17-23
D	10-16

Clarification: The Categorization for Provincials for an LMHA's Division will be determined on, or prior to, January 10th of the current Hockey Season.

- 8.4 Atom AA Major - Minimum Team Registration Breakdown
The following minimum team registration breakdown will be in effect for Associations with Atom Divisions containing 96 + (AA Major) registered players.

<u>Number of Registered Players:</u>	AA Major	250 + (3 Equal Teams)
	AA Major	151 – 250 (2 Equal Teams)
	AA Major	96 – 150 (1 Team)

- 8.5 Each Division within an LMHA will have the top Team placed in the appropriate Category according to the current Hockey Season's registration numbers. The remaining Teams within the Division will be automatically placed in the next lowest Category. There will be no movement down in Category for any reason.
- i.e. An association's Midget Division has a registration of 36 with a total of 2 teams. The top team will be provincially categorized 'B' and the second team will automatically be provincially categorized 'C'. Further, the same association's Atom Division has a registration of 65 with a total of 4 teams. The top team will be provincially categorized 'AA' Minor, second team automatically provincially categorized 'A', third team automatically provincially categorized 'B', and the fourth team automatically provincially categorized 'C'. These teams may only move up.
- 8.6 In the case where an LMHA creates multiple "equal" teams within the same Division of hockey, and enters them as so during Regular Season Play, the "equal" teams will all be placed at the same Provincial Categorization. Remaining team(s) within the Division will be placed in the next lowest Category.
- i.e. An association's Pee wee Division has a registration of 50 with a total of 4 teams. One team is created as the top team, the next two teams are created equal and play as equals in regular season, the 4th team is created as the lower team. The top team is categorized as "A", the next two equal teams are categorized as "B" and the fourth team is categorized as "C"

All Team Officials of the Team failing to fulfill its' commitments to Provincials, shall be suspended, beginning May 1st of that calendar year, for a minimum of one (1) year. Suspensions which occur during provincial play and carry over will be filed with the Zone Minor Discipline Coordinator.

- (g) Tied games shall not be broken in round-robin play.
- (h) In the event a Team wins a game by more than ten (10) goals, that team will only be granted a goal differential of ten (10) for that game and a maximum of a ten (10) goal differential will be recorded in the statistics.

Example: For = 14 goals Against = 2 goals

Goal Differential = 10 goals

- (i) In the event that teams are tied for a playoff position, the following procedure will apply:
 - (i) If two (2) teams are tied:
 - (A) The team with the most wins in the round-robin gains the highest position.
 - (B) If the two (2) teams are still tied after Regulation 9.3(i)(i)(A) above, the winner of the round-robin game between the two tied teams gains the highest position.
 - (C) If the two (2) teams are still tied after Regulations 9.3(i)(i)(A) and (B) have been applied, then the team with the best goal average gains the highest position. The goal average of a team is to be determined in the follow manner:

Total number of goals for divided by the total number of goals for and against.

NOTE: **All** round-robin games are included.

Example: For = 10 goals Against = 4 goals

Percentage: $\frac{10}{10+4}$ = $\frac{10}{14}$ = .714

NOTE: The highest percentage gains the highest position.

- (D) If the two (2) teams are still tied after Regulations 9.3(i)(i)(A), (B) and (C) have been applied, the team with the least number of minutes in penalties throughout all of the round-robin games gains the highest position.
- (E) If the two (2) teams are still tied after Regulations 9.3(i)(i)(A), (B), (C) and (D) have been applied, then the team that scored the first goal in the game between the two (2) tied teams gains the highest position.
- (F) If the two teams are still tied after Regulations 9.3(i)(i)(A), (B), (C), (D) and (E) have been applied, a single coin toss will determine which team gains the highest position.
 - (I) For the coin toss for two (2) teams tied, a single coin will be tossed with one of the teams declaring either "heads" or "tails". The team that declares the toss and is successful would then be declared the first (1st) placed team. If the team that declared the toss is unsuccessful, that team places second (2nd).
- (ii) If three (3) teams or more are tied, the point record established in the games AMONG THE TIED TEAMS ONLY will be used as the first tie breaking formula in deciding which team(s) will advance.
 - (A) The team with the most wins would gain the highest position.
 - (B) If teams are still tied after Regulation 9.3(i)(ii)(A) above has been applied, then the team with the best goal average gains the highest position. The goal average of a team is to be determined in the following manner:

Total number of goals for divided by total number of goals for and against.

NOTE: Games between the tied teams only will apply.

Example: For = 10 goals

Against = 4 goals

Percentage: $\frac{10}{10+4} = \frac{10}{14} = .714$

NOTE: The highest percentage gains the highest position.

- (I) If all three percentages are different for the three (3) teams that are tied, then first (1st), second (2nd) and third (3rd) place is decided with the highest percentage gaining first (1st) place and the lowest percentage gaining third (3rd) place. The tie-breaking procedure will not go back to two teams tied.
- (C) If two teams or more are still tied after Regulations 9.3(i)(ii)(A) and (B) have been applied, the team(s) to qualify would be the team(s) that receive the least number of minutes in penalties throughout all of the round-robin games.

- (D) If three teams are still tied after Regulations 9.3(i)(ii)(A), (B) and (C) have been applied, a coin toss will determine the highest positions.
- (I) For the coin toss involving three (3) teams tied, all three teams will each toss a coin. The team that tosses the first odd coin is declared the first (1st) place position of the three tied teams.
 - (II) The two (2) remaining teams will now toss a single coin with one of the teams declaring either "heads" or tails." The team that declares the toss and is successful would then be declared the second (2nd) place team. If the team that declared the loss is unsuccessful, that team is placed third (3rd).
- (iii) All games played in the Semi-Finals and Finals must decide a winner. In the case of tied games in a Semi-Final, use Hockey Canada Official Playing Rules.

Hockey Canada Official Playing Rule – Tied Game

- (A) If at the end of the three regulation twenty minute periods the score is tied, the following shall take place:
 - (I) if the Referee feels it is necessary, he may order the ice to be resurfaced at the end of the three regulation periods. If the ice is not resurfaced, the teams will not change ends;
 - (II) the puck shall be faced off at centre ice and the play shall continue with a ten minute sudden victory overtime period;
 - (III) if the score is still tied after the sudden victory ten minute overtime period, the teams would take a normal between period break and return to play twenty minute sudden play periods. The teams will now change ends.
 - (B) Any overtime period shall be considered part of the game and all unexpired penalties shall remain in force.
 - (C) If either team declines to play in the necessary overtime period or periods, the game shall be declared a loss for that team.
- (j) Protests will not be entertained on the outcome of any FINAL Championship game.
