## **MALE HOCKEY ALBERTA DEVELOPMENT MODEL**

### **INTRODUCTION**

In 2007, at the direction of the Hockey Alberta Board of Directors a committee was formed to develop a process to enable Alberta's top hockey athletes to compete at the highest level in a fair and equitable manner. The focus of the process deals with the elite system within Hockey Alberta and provides for the development of the elite athlete reflecting an "Alberta Made Development Model".

The idea is to provide guidance and direction so that player opportunity and movement is done in recognition of the needs of the player and the teams involved. The guiding principle that has unanimous consensus is the agreement at all times for making responsible decisions and everyone will act in the best interest of the athlete's ability to play at an elite level. It further recognizes and supports that each athlete has the right to consider all options.

The document is based on four (4) principles and uses these principles to create a system that better meet the needs of the athlete as they progress through the system of development. This document creates an improved development system providing a positive experience for all participants through improved communications and a better understanding of the principles.

### **PHILOSOPHY OF LEAGUES WITHIN THE ELITE STREAM OF HOCKEY**

#### PRINCIPLES

The four (4) agreed upon principles of the Alberta Development Model are as follows

1.
  - a) Accept a "Made and Played in Alberta" philosophy.
  - b) Hockey Alberta establishes an outlined system of development that starts at Bantam AAA and concludes at Major Junior (Bantam AAA, Minor Midget AAA, Midget AAA, Junior A, and Major Junior).
  - c) All Elite Leagues and Local Minor Hockey Associations are to focus on moving players through the system to the next level.
2. A mechanism is developed to encourage communication between Elite Level Leagues on matters related to the Development Model.
3. The Alberta Development Model will include criteria to determine an appropriate number of Teams within each League and the terms and conditions under which these Teams will operate. Elite Level Teams will provide elite level opportunities for the top players within their Boundaries.
4. Establish an Affiliation structure that accommodates athlete development under the development model.
  - Leagues and Teams within the development system shall be known as the "Elite Stream" of hockey.
  - Leagues, Conferences and Teams within the Elite Stream are not allowed to have Bylaws and Regulations that impact the development system. All Bylaw and Regulation changes are to be approved by Hockey Alberta.
  - Sanctions will be imposed for any non-compliance to the principles established within the Alberta Development Model and is to be enforced by Hockey Alberta.

## **MALE HOCKEY ALBERTA DEVELOPMENT MODEL**

### **ELITE DRAW ZONE AREAS**

In order to make it fair and equitable for all teams within the Elite Stream, “Elite Draw Zone Areas” have been established. These Elite Draw Zone Areas are to be used to establish a feeder system throughout the Minor Elite Stream.

Hockey Alberta has limited the number of Leagues at each of the Divisions of the development system to one (1) league (Bantam AAA, Midget AAA, and Minor Midget AAA) and established Conferences that focus on minimized travel requirements and lower costs for regular season play.

Hockey Alberta has established consistent Elite Draw Zone Areas that allow for a feeder system under Midget AAA.

- Elite Draw Zone Areas for each Division/Category within the elite structure do not overlap.
- Entire Minor Hockey Associations are within specific Draw Zones and not split.

Provincial Championships at each level of the Elite Stream are to be determined via League Play. Only Elite League teams will be eligible to play in the Championships.

The winner of the AMHL will be the sole representative to the HC Midget National Championship.

The winner of the AMBHL will be the sole representative to the Western Canada Bantam Regional Championship.

### **EXPANSION & REDUCTION OF LEAGUES**

Expansion and reduction of teams in the Leagues within the Elite Stream will be based on the following criteria:

1. Hockey Alberta registration numbers are to be used, in conjunction with other factors, in determining an appropriate draw ratio of available players per Division.
2. Each Elite Draw Zone Area will include a minimum of one Midget “AAA” team, one Minor Midget AAA team and one Bantam AAA team.
3. Historical statistics will be reviewed to determine how competitive the Teams within that Draw Zone have been within the Province.
4. Player Development is the most important factor in the rationale for expansion or reduction.
5. Teams must still allow Non-Resident Players from outside the host LMHA Boundaries but within the Team’s Draw Zone. The objective is to provide opportunities for the best players from within a Team’s Draw Zone.
6. Expansion requests will consider the possible effects to existing teams / programs and the existing number of teams within the same Category.
7. All changes to the draw zones, expansion and contraction of teams, will be the responsibility of the Male ADM Committee to review. All submissions for changes must be submitted in writing prior to January 30 in order to be considered for the next season.

### **ELITE PLAYER MOVEMENT**

The following are Elite Player Movement Procedures for any player who wishes to move from his permanent residence to access his first try out with an Elite team outside his resident draw zone.

- Players are expected to play for the Elite Draw Zone Team that draws from the Team/Local Minor Hockey Association the player is resident in. If, however, a player wishes to move the following application process must be followed:
  - The player should only request movement for extenuating circumstances (i.e. considerably closer for travel).
  - The player completes a Player Movement Application Form and has it signed by all necessary parties (as outlined on the form).
  - Player submits the Player Movement Application and supporting documents by July 1st (no exceptions) to the Hockey Alberta office.
  - Hockey Alberta Office notifies the players resident Elite Draw Zone Team and Local Minor Hockey Association that the player has submitted an application to move.
  - The resident Elite Draw Zone Team / Local Minor Hockey Association is asked to respond within Five (5) days with their comments on the application.
  - The HA office ensures documentation is complete and submits the request to the Male ADM Committee in July (a decision will be rendered prior to August 1).
  - The committee reviews the application which includes the Local Minor Hockey Association and Elite Draw Zone Team's comments.
  - The committee approves or denies movement.
  - Notification of decision will be sent out from the Hockey Alberta Office to the Player, LMHA, Elite Draw Zone Teams involved, and the appropriate League(s).
  - If approved, the Player MUST access their first try out within the Elite Draw Zone they have been approved to attend. Players will not be permitted to try out for another Elite Team unless this newly approved first try out is exhausted first.
  - In the case that an affected member is dissatisfied with the decision, the Hockey Alberta Appeals process may be accessed.

Note: ALL PLAYERS WILL RETURN TO THEIR RESIDENT LOCAL MINOR HOCKEY ASSOCIATION AT THE END OF THE HOCKEY SEASON

### **ADM COMMUNICATION MODEL**

The following communication model will be used for communications with LMHA's and elite teams as outlined by the ADM.

#### Communication with Local Minor Hockey Associations

- Feedback is to be gathered from the LMHA's every year.
- This feedback will be done through a on-line survey that will be used to gather feedback from the general membership in regards to how the ADM is doing with their LMHA and the draw area of which they are apart of.
- The feedback will be gathered and reviewed by the Male ADM Committee so that adjustments could be dealt with prior to the following season. This feedback survey will be similar to the agenda for the Elite Draw Zone team meetings

## MALE HOCKEY ALBERTA DEVELOPMENT MODEL

### Communication with Elite Draw Areas and Elite Teams

- Each Draw Zone Area will meet two (2) times per year to discuss elite hockey within their area and the ADM in general. These meetings would occur at the start and end of the season with the second meeting taking place so that the feedback would be gathered and reviewed by the Male ADM Committee so that adjustments could be dealt with prior to the following season.
- The purpose of the meetings is to ensure that the development of the players within their Elite Draw Zone Area is being handled in the most efficient and productive manner. Each of the Elite Draw Zones will be permitted to make recommendations and suggestions with respect to Draw Zone Areas, formation of teams, locations of teams and development opportunities within their Elite Draw Zone Area.
- In the case of Edmonton and Calgary, this would be done through their respective committee structure, internally.
- The meeting would be chaired by the AMHL team director/governor and he/she would be responsible to communicate the date and time of the meeting and report any feedback that is received to the Hockey Alberta Office.
- The meetings would be made up of one representative from each of the assigned elite teams within the Draw Zone Area.
- The agenda for these meetings would be built as templates by the Male ADM Committee so that there is consistency relative to the information that is being brought forward from the stakeholders.

In each of the cases above, information will be gathered through the two means listed above, reviewed by the Male ADM Committee, with recommendations then being sent to Hockey Alberta.

### **NOTIFICATION OF TRY-OUT PROCEDURE**

Any Player may try-out for the team for which the Player is eligible of the: AMHL (Alberta “AAA” Midget Hockey League, AMMHL (Alberta Minor Midget AAA Hockey League), or AMBHL (Alberta Major Bantam Hockey League) provided;

- a) the player has filed a completed Notification of Try-Out form;
- b) the team has been approved for membership by Hockey Alberta in the Elite Development stream.

Elite Teams must allow for Non-Resident Players from outside the host LMHA’s boundaries, but within the teams Elite Draw Zone area, to have the opportunity to try out with the team. The objective is to provide opportunities for the best players from within a Team’s Draw Zone.

*LMHA’s hosting Elite Draw Zone Teams must ensure that there are no restrictions on the number of Non-Resident Players that are eligible to make and register with the Elite Draw Zone Team. The top 19 or 20 players, by position, should be selected, regardless of where they reside.*

## MALE HOCKEY ALBERTA DEVELOPMENT MODEL

It is incumbent upon the Host LMHA to insure they have a plan for accommodating non-resident players in their Elite Draw Zone. This would include information on the following:

- Living arrangements for players that need to be billeted if they make the team
- Schooling so the player can maintain their academics
- Tryouts scheduled on weekends to insure it is convenient for the out of town player to properly participate?

Players wishing to try-out with an Elite Team (as defined) must first complete a Notification of Try-Out Form and submit to their resident LMHA (the LMHA of which the player resides), and the Team to which the player wishes to try-out for.

Residency of the player is determined as per Hockey Canada Residency Qualifications.

A player must first try-out for the team in the Elite Draw Zone Area where the player resides (unless previous approval has been obtained via Elite Player Movement Application).

If the player does not make the team they are trying out for, they may have the option to try-out for the next closest Elite Team as defined by the Elite Draw Zone Areas. (If there is any dispute with the next closest Elite Team, the dispute shall be settled by Hockey Alberta upon application).

1. The player must first obtain a **Waiver** from the team of which he did not make.
2. The player would then submit the amended Notification of Try-out form for the next closest Elite team. This Notification of Try-out form is required in order to try-out as a non-resident / Import player for the next team. His previous waiver(s) must accompany the request.

Note: 15 Year Old Midget Players are permitted to try out with the Midget AAA (AMHL) Team within their Resident Draw Zone Area only. If the player does not make the Team within their Resident Draw Zone Area they have the ability to try out for the Minor Midget AAA (AMMHL) Team within their Resident Draw Zone Area. A 15 Year Old Player may travel to the next closest Draw Zone Area to try out for an additional Minor Midget AAA (AMMHL) Team only.

A player making the designated Elite Team will receive Permission to Play from the LMHA of which the player was registered in the previous season and/or their resident LMHA. The player must pay any outstanding fees or other financial obligations owing to the previous registered Team.

Once an Import Player (by definition) has made the Elite Team of which he was trying out for, the Player must ensure that his Notification of Try-out Forms and all applicable Waivers are submitted together at the time of registration to Hockey Alberta.

Failure to submit the Notification of Try Out form and applicable waivers (as required for an Import Player), at the time of registration, will result in that player being not registered.

In cases where an Import Player is found to have played in a game, without first having submitted his Notification of Try Out form and applicable waiver(s) at the time of registration, the Team Officials of the Hockey Team with which the Player has played, will be subject to discipline in accordance with Hockey Alberta Minor Regulation A. 12 – Discipline.

## MALE HOCKEY ALBERTA DEVELOPMENT MODEL

*Please Note: Players trying out for any of the Elite Teams, should also be cognizant of the fact that IF they don't make these Elite Teams, they should ensure that they determine which team and apprise them of their possibility of playing for the team at the next level of which they are eligible for. The worst situation for a player to be in is to Try-Out for the Elite Teams, not make one of them, and then not have an appropriate team of their skill level to try-out for within the appropriate time frame. Timely and informed decisions must always be kept in consideration.*

### TEAM REGISTRATION

All Hockey Teams must be properly and duly registered in the Registry with Hockey Alberta, prior to their first League Game or November 15, whichever occurs first. All Players participating on a Hockey Team must be duly registered in the Registry before their first league game. Any Hockey Team whose registration is received after November 15, will not be eligible for Provincials.

#### MAJOR MIDGET AAA (AMHL Teams)

During the Try Out portion of the season, Teams are to register a maximum of a *"40 man roster"* in the HCR. All players playing in exhibition games and preseason tournaments will be listed as tryout players on this roster. This is not applicable to those players skating at tryout sessions, only those players in exhibition games.

- The transfers will be entered into HCR with the NTO uploaded to the transfer and the transfer will be approved using "Approve (Share)" so that both the Resident MHA and the MHA in which the AAA Team is hosted can view the player's profile.
- Once the player makes the AAA team, the primary association of the player will be changed to the MHA of the AAA team he is now registered with.
- All players that don't make the AAA team will be released off the team in the Registry and will return to their resident LMHA.

The AMHL has declared 5 games at the beginning of the season as being Pre-Season games for the purpose of Team roster declaration. This structure was developed to better reflect the current Hockey Alberta Regulations and to address the dates by which players are released from higher divisions. To follow is the structure by which Teams in the AMHL will register:

- The first 5 games of the AMHL scheduled season have been declared as Pre-Season games for the purposes of Team roster declaration.
- AMHL Teams will register a minimum of 15 players in the Registry by their first Pre-Season game.
- Beyond the minimum 15 players registered in the Registry, teams will have access to a floating 10 player auxiliary list during the course of the 5 scheduled Pre-Season games.
- Upon the commencement of the scheduled 6<sup>th</sup> league game all players will be registered in the Registry.
- All Discipline matters will be administered by the AMHL with all notifications of suspensions during the AMHL Pre-Season to be forwarded to the respective Zone Minor Discipline Coordinator for review.

## MALE HOCKEY ALBERTA DEVELOPMENT MODEL

### MINOR MIDGET AAA (AMMHL Teams) and BANTAM AAA (AMBHL Teams)

During the Try Out portion of the season, Teams are to register a maximum of a “30 man roster” in the HCR. All players playing in exhibition games and preseason tournaments will be listed as tryout players on this roster. This is not applicable to those players skating at tryout sessions, only those players in exhibition games.

- The transfers will be entered into HCR with the NTO uploaded to the transfer and the transfer will be approved using “Approve (Share)” so that both the Resident MHA and the MHA in which the AAA Team is hosted can view the player’s profile.
- Once the player makes the AAA team, the primary association of the player will be changed to the MHA of the AAA team he is now registered with.
- All players that don’t make the AAA team will be released off the team in the Registry and will return to their resident LMHA.

### **AFFILIATION POLICY**

The Affiliation Policy is used to accommodate athlete development under the “Alberta Development Model” (ADM). To allow for Affiliation within each Elite Draw Zone Area for the Teams currently playing in the Alberta Midget Hockey League (AMHL), the Alberta Minor Midget Hockey League (AMMHL) and the Alberta Major Bantam Hockey League (AMBHL). The Teams within the Elite Stream of Hockey are eligible to Affiliate players that reside within the boundaries of an MHA within that specific Elite Draw Zone Area. All players to be registered for affiliation within the ADM must meet and qualify in accordance with the Hockey Alberta and Hockey Canada Regulations.

Affiliation needs to be filed in the Registry and approval will come from the Minor Zone Administration Coordinator for the Zone in which the Elite Draw Zone Area Host LMHA is located within.

- An Elite team may affiliate nineteen (19) players from within the team’s designated geographic region.
- Prior to participation as an affiliated player, the player’s name must appear on the team’s affiliation list filed within the Branch.
- Once a player’s affiliation is approved, the player’s name may not be dropped from the affiliation list during the current season and replaced, unless the team with which the player registered releases him/her on or before January 10.
- No player is permitted to be part of more than one (1) specially affiliated players list at any time during the current season.
- An affiliated player must have the approval of his/her registered team in order to play.

**NOTE:** All Affiliated players must reside in the Elite Draw Zone Area of the team they will be Affiliated with, in either the AMHL, AMMHL or AMBHL.

All affiliations shall terminate at the end of the current playing season.

For clarification purposes, the intent of this policy is to allow Players to Affiliate to Teams in the Elite Stream from any LMHA in the Elite Draw Zone Area regardless of the LMHA Categorization. The reason is to provide for the development of Players in the Elite Stream within their Elite Draw Zone Area as per this ADM.

## **MALE HOCKEY ALBERTA DEVELOPMENT MODEL**

It shall be the responsibility of the Male ADM Committee to monitor, formulate and recommend changes and improvements in the Elite Stream of Hockey.

The Male ADM Committee will report to the CEO, or designate. Upon making a decision regarding recommendations, the committee shall have the responsibility to supervise and carry out the decisions. The committee shall be an Operational Standing Committee of Hockey Alberta and shall have a Terms of Reference in place that stipulates the purpose, goals and objectives and composition of the committee.

Some items the Male ADM Committee is tasked with are:
