##### **5.1 Permission for Player Movement**

- (a) A Player must first obtain a Player Movement Form from her Resident LMHA prior to being transferred, in the Registry, to any other LMHA.
- (b) Prerequisites

In order to obtain permission for Player Movement, a Player must first:

- (i) obtain a Player Movement Form from their Resident LMHA and submit it along with a letter from the Player requesting the desired Player Movement;
- (ii) obtain a letter from any closer LMHAs the Player bypasses in the direction of travel from the Player's resident LMHA to the new LMHA consenting to the transaction and waiving any rights they may have to the Player;
- (iii) obtain permission from the LMHA accepting the Player, indicating that they accept the Player as a Non-Resident Player;
- (iv) make the designated Hockey Team indicated on the Hockey Alberta approved Player Movement form;
- (v) pay any outstanding fees or other financial obligations owing to the LMHA being asked for the permission;
- (vi) provide written confirmation of the prerequisites being met to the LMHA being asked for the permission;

## (c) Procedure

Once the Player has met the prerequisites and the permission has been obtained, the Player must ensure that the proper form is completed and submitted at the time of registration for the current Hockey Season to Hockey Alberta.

- (i) failure to complete and submit the proper form at the time of registration will result in the Player being not registered and ineligible to play in any game;
- (ii) in cases where a Player is found to have played in a game without first having completed or submitted a required form, the Team Officials of the Hockey Team with which the Player has played will be subject to discipline in accordance with Regulation 12.
- (iii) No Release will be issued to these Player(s).

## 5.2 Player Movement Exceptions

Players will be permitted to register in the LMHA whose recognized physical limits are closest to her place of residence (when measured along recognized, all weather government roadways) if:

- (a) There is no Female Hockey Team in a Player's resident LMHA, at her age division;
- (b) The Player does not have a place to play in her age division in her resident LMHA in the current Hockey Season due to all positions being full. For this exception to apply, the Hockey Team(s) at the Player's age Division must be completely full with 19 Player allotments occupied;
- (c) More than one LMHA must combine their registration numbers to attain a sufficient number of Players to field a Hockey Team at the Player's age Division for the current Hockey Season. Any player living within the boundaries of the LMHA's forming the hockey team that chooses to play outside of these combined LMHA's will be deemed a non-resident player and may be subject to player movement regulations.

All exceptions must be approved in writing by the appropriate Hockey Alberta Minor Female Regulation Coordinator.

## 5.3 Player Movement may be refused in situations where:

- (a) The granting of permission to the Player leaves the LMHA with insufficient numbers (less than 12) to field a Female Hockey Team at the Player's age division in the current Hockey Season.
- (b) The Player is requesting the permission for reasons other than playing at the highest Category of which she is capable (i.e. dislike of a coach, dislike of ice time, etc.).

#### 5.4 Permission to Try Out

- (a) Any Player may register with an "Elite" (AAA or Elite) member Team for which the Player is eligible, provided:
  - (i) she has obtained a Notification to Try Out (NTO);
  - (ii) the Team has been approved for membership by Hockey Alberta in the relevant League.
- (b) In the case of permission to try out, it must specify the LMHA and Hockey Team for which the Player is granted permission to try out. Upon the Player being selected to the specified Hockey Team, the Resident LMHA shall grant permission to play. If the Player is not selected to the specified Hockey Team, the Player must return to her Resident LMHA.

### 6. Releases

- 6.2 Midget aged Players registered in the Division of Junior cannot be released after November 1 of the current season. Any Officer or Executive Member of a Hockey Team found guilty of being in violation of the above rule shall be suspended until dealt with by the CEO, or designate.

### 7. Affiliation

The Female Hockey ADM determines Affiliation regulations for players involved in participation of Teams within the AAA and Elite Hockey stream (see Appendix "III").

- 7.1 Affiliation must be declared and filed with the CEO, or designate, prior to the affiliated Player being allowed to participate in any game with the Hockey Team to which she is affiliated. Affiliations will be accepted and endorsed by the CEO, or designate, up to and including December 15 of the current Hockey Season.
- 7.2 Affiliation will only be recognized where:
  - (a) Players are added to Teams in the Registry and identified as "Affiliates";
  - (b) the CEO, or designate, acknowledges receipt and identifies said players as approved prior to an affiliate Player participating any game with the Hockey Team to which she is affiliated;
  - (c) the affiliation has been endorsed by the President of the applicable LMHA.

Note: All affiliations shall terminate at the end of the current playing season.

- 7.3 Any Player participating in any game as an affiliated Player without the approval of the CEO, or designate, shall be considered an Ineligible Player and team officials subject to discipline in accordance with Regulation 12.

- 7.4 A Hockey Team may affiliate up to nineteen (19) specially Affiliated Players from a lower Division or Category within their LMHA.

**Exception: When an LMHA does not have a Minor Female team at the next lowest division or category, the MHA may place a request to the Minor Female Regulation Coordinator asking to be permitted to affiliate a player(s) from a lower Division or Category Minor Female team from a nearby MHA.**

- 7.5 Affiliations will not be deemed to have taken place automatically, without properly filing said affiliation through the Registry.

NOTE: A Player must obtain a "Named Player Affiliation Agreement" form when selected as a specially affiliated player to a team within the Elite Hockey system ("AAA" and/or "Elite").

- 7.6 (a) Affiliated players may participate in League, Exhibition, Tournament and Provincials;

Players are only eligible to affiliate to one (1) Team. This request must be made in writing from the LMHAs involved in the request to the Hockey Alberta Minor Administration Coordinator for approval or non-approval. Upon approval from Hockey Alberta, the requesting LMHAs would be given the allowance.

Example: Centre A has seven (7) Bantam Players, Centre B has six (6) Bantam Players so Centre A and B combine to field a Team of thirteen (13) Players that are registered out of Centre A. If there is a Midget team in Centre B, the six (6) Bantam Players from Centre B now registered in Centre A will be able to affiliate with the Midget Team from Centre B. This affiliation will be on a named player basis and Players are only eligible to affiliate to one team.

- 7.7 Female players playing on Minor Male hockey teams may be permitted to affiliate to Female Teams, upon consideration of application to the Minor Administration Coordinator, in consultation with the Minor Female Regulation Coordinator.
- 7.8 Providing affiliation has been properly filed, an affiliated player may play with the Hockey Team to which the Player is affiliated up to a maximum of ten (10) games, excluding exhibition and tournament games. Should an affiliated player play more than ten (10) games with the Hockey Team to which the player is affiliated, she shall be considered an "Ineligible Player". However, if the player's registered team completes its regular season and playoffs before the player's affiliated team, the player may thereafter affiliate an unlimited number of times.
- 7.9 Appearance of a registered Player's name on the official game report shall be considered participation in the game except in the case of an alternate goalkeeper, in which case actual participation only shall be considered as taking part in the game and such participation shall be specially noted on the official game report.

## 7.10 Novice Affiliation

### \* Novice to Novice and Initiation to Novice Affiliation Only

The principle of affiliation to the Novice Division is to provide for replacement players when regular team players are sick, injured or otherwise unavailable. The following rules will apply:

This maximum number of twelve (12) includes the total of both registered team players and Affiliated Players.
- (c) Prior to playing any Affiliated Players the use of such Players must be endorsed by the President (or his/her designate) of the LMHA. This shall be done by registering an "Affiliated Player" in the Registry and in compliance with Regulation 7.10(e), below.

- (f) A Player Affiliated to or within the Division of Novice may not play more than five (5) games with the affiliated team in the current Hockey Season, excluding exhibition and tournament games. - (g) All Affiliation rules set out by Hockey Alberta must be followed for using affiliated players, subject to the exceptions listed above.

NOTE: There will be no affiliation allowed WITHIN the Division of Initiation.

Once the championship tournament commences, this roster of twenty-three (23) is frozen and no further additions are possible. The list of Players must be presented to the Hockey Alberta Representative prior to the start of the tournament.
- (c) Minor Female Regulation Coordinator will determine "Home" and "Away" Teams for Provincial Tournament Draw (coin toss to be used for the Championship Game). Teams must be ready to play at the appointed time.
- (d) The length of all games will be three (3) periods of twenty (20) minutes stop-time with the ice being resurfaced between each period, whenever possible.
- (e) Managers and coaches shall be deemed responsible for the behaviour of their teams and team supporters. Any inappropriate behaviour or actions by those persons registered with Hockey Alberta shall be subject to disciplinary actions as prescribed in the Bylaws, Rules and Regulations.
- (f) The disciplinary rulings in compliance with the Hockey Alberta Suspension Procedures shall be applicable for the duration of the tournament.

Suspensions which occur during provincial play and carry over will be filed with the Zone Minor Discipline Coordinator.

- (g) Tied games shall not be broken in round-robin play.
- (h) In the event a Team wins a game by more than ten (10) goals, that team will only be granted a goal differential of ten (10) for that game and a maximum of a ten (10) goal differential will be recorded in the statistics.

Example:      For = 14 goals      Against = 2 goals

Goal Differential = 10 goals

- (i) In the event that teams are tied for a playoff position, the following procedure will apply:
  - (i) If two (2) teams are tied:
    - (A) The team with the most wins in the round-robin gains the highest position.
    - (B) If the two (2) teams are still tied after Regulation 9.4(i)(i)(A) above, the winner of the round-robin game between the two tied teams gains the highest position.

- (C) If the two (2) teams are still tied after Regulations 9.4(i)(i)(A) and (B) have been applied, then the team with the best goal average gains the highest position. The goal average of a team is to be determined in the follow manner:

Total number of goals for divided by the total number of goals for and against.

NOTE: **All** round-robin games are included.

Example: For = 10 goals                      Against = 4 goals

Percentage:                       $\frac{10}{10+4}$                       =                       $\frac{10}{14}$                       =                      .714

NOTE: The highest percentage gains the highest position.

- (D) If the two (2) teams are still tied after Regulations 9.4(i)(i)(A), (B) and (C) have been applied, the team with the least number of minutes in penalties throughout all of the round-robin games gains the highest position.
- (E) If the two (2) teams are still tied after Regulations 9.4(i)(i)(A), (B), (C) and (D) have been applied, then the team that scored the first goal in the game between the two (2) tied teams gains the highest position.
- (F) If the two teams are still tied after Regulations 9.4(i)(i)(A), (B), (C), (D) and (E) have been applied, a single coin toss will determine which team gains the highest position.
- (I) For the coin toss for two (2) teams tied, a single coin will be tossed with one of the teams declaring either "heads" or "tails". The team that declares the toss and is successful would then be declared the first (1<sup>st</sup>) placed team. If the team that declared the toss is unsuccessful, that team places second (2<sup>nd</sup>).
- (ii) If three (3) teams or more are tied, the point record established in the games **AMONG THE TIED TEAMS ONLY** will be used as the first tie breaking formula in deciding which team(s) will advance.

(A) The team with the most wins would gain the highest position.

(B) If teams are still tied after Regulation 9.4(i)(ii)(A) above has been applied, then the team with the best goal average gains the highest position. The goal average of a team is to be determined in the following manner:

Total number of goals for divided by total number of goals for and against.

NOTE: Games between the tied teams only will apply.

Example: For = 10 goals                      Against = 4 goals

$$\text{Percentage: } \frac{10}{10+4} = \frac{10}{14} = .714$$

NOTE: The highest percentage gains the highest position.

- (I) If all three percentages are different for the three (3) teams that are tied, then first (1<sup>st</sup>), second (2<sup>nd</sup>) and third (3<sup>rd</sup>) place is decided with the highest percentage gaining first (1<sup>st</sup>) place and the lowest percentage gaining third (3<sup>rd</sup>) place. The tie-breaking procedure will not go back to two teams tied.
- (C) If two teams or more are still tied after Regulations 9.4(i)(ii)(A) and (B) have been applied, the team(s) to qualify would be the team(s) that receive the least number of minutes in penalties throughout all of the round-robin games.
- (D) If three teams are still tied after Regulations 9.4(i)(ii)(A), (B) and (C) have been applied, a coin toss will determine the highest positions.
  - (I) For the coin toss involving three (3) teams tied, all three teams will each toss a coin. The team that tosses the first odd coin is declared the first (1<sup>st</sup>) place position of the three tied teams.
  - (II) The two (2) remaining teams will now toss a single coin with one of the teams declaring either "heads" or tails." The team that declares the toss and is successful would then be declared the second (2<sup>nd</sup>) place team. If the team that declared the loss is unsuccessful, that team is placed third (3<sup>rd</sup>).
- (iii) All games played in the Semi-Finals and Finals must decide a winner. In the case of tied games in a Semi-Final, use Hockey Canada Official Playing Rules.

#### **Hockey Canada Official Playing Rule – Tied Game**

- (A) If at the end of the three regulation twenty minute periods the score is tied, the following shall take place:

  - (II) the puck shall be faced off at centre ice and the play shall continue with a ten minute sudden victory overtime period;

- (m) Teams failing to participate in the opening ceremonies of the Provincial Championship Tournament, if the LMHA is holding an Opening Ceremonies as a part of the event, will result in the Head Coach (as defined and determined by the Hockey Alberta Rep at the Tournament) of the team being suspended for the next two (2) games his/her team participates in following the Opening Ceremonies.
