To allow players the opportunity to access hockey at the highest level at which they are capable of playing, Hockey Alberta has established a guidelines of timelines (see the attached RTH Timelines chart) for an altered tryout, evaluation and player sorting structure. Following this structure will allow MHAs/ Teams to work towards team selection in preparation for a start to the Modified and/ or Regular Seasons. **Timelines within this chart may be required to change due to Alberta Health Services recommendations and guidelines.**

- Prep Skates can be initiated prior to the timeframe shown in the chart.
- Identifying and initiating a Cohort can be done prior to the timeframe shown in the chart.
- By the end of the 'Player Selection Week' shown in the chart, all Teams must have rosters cut down to the identified number.
- If an individual wishes to move to a new Cohort, s/he must not participate in Cohort activities for 14 days prior to joining the new Cohort.
