

COHORT ROSTER DECLARATION

The Team Order process and initial Registration dates have been amended based on start-up dates.

1. All players participating must be registered to a team in the HCR prior to their first League game.
2. Each Team will have to determine a maximum listing of 25 people to be included in a 'Competition Cohort'. Teams can submit this listing using the Cohort Roster Declaration form.
3. All Junior/Senior Teams will be permitted to register a maximum of twenty-five (25), at any one time.
4. Teams must determine whether or not they wish to include Team Officials within their cohort. Including Team Officials within a cohort will reduce the number of Players that are able to be included in a 'Competition Cohort'.
5. Once completed, send the form into your League.
