Coaching Opportunities

GENERAL PROGRAM INFORMATION

The Alberta Winter Games provides all players, coaches and trainers an equal opportunity to discover the great qualities of competitive hockey in a well-organized and fair Zone Camp and Select Team competition.

As part of the program an emphasis is placed on the development and identification of Alberta's best hockey people; people who may have an opportunity to represent Alberta at future national or international events. The Alberta Winter Games leads able participants through the development process to the Alberta Cup and Team Alberta.

The preparation and training of the coaches and trainers for the Alberta Winter Games is crucial to the success of the program and ensures quality leadership for the future of Hockey in Alberta.
