# CONGRATULATIONS

## TIER 4 – AIRDRIE LIGHTNING

**BEST WESTERN FUN ON THE ROAD OCTOBER TEAM OF THE MONTH ALBERTA  
THANK YOU FOR YOUR SUBMISSION. BEST OF LUCK ON YOUR HOCKEY SEASON!**

Hey BW!! The kids nicknamed our team - "Team Awesome!" lol We have a tournament coming up November 10-12 2016 in Edmonton Alberta. I chose that the team stay at the Best Western Sunrise Inn and Suites in Stony Plain. I am a diamond member and this is my choice of hotel every time I'm in the area on business....I spoke with the GM and he accommodated us! Kids love the waterslide at hotels; they are 9-10 so need to get the crazy out! Lol! we plan on the West Ed mall and team building exercises at the hotel breakfast room!! I coach the player and not the game, I am truly passionate in my quest to create respectful determined little people first and then hockey skills....I have challenged each one of our parents and players to reach 3 predetermined goals this year, most chose a goal that included team work and becoming better leaders. If you are gracious enough to choose "Team Awesome!" I would like to use the money we save to book in and plan some local events/challenges that would help us in the teams goals of become better leaders and team mates, ultimately leading to confident, determined respectful adults that give back to society and the community! Thank you for your consideration.

Coach Jonah
