

THANK YOU FOR PARTICIPATING IN THE BEST WESTERN FUN ON THE ROAD SWEEPSTAKES NOVEMBER DRAW

We hope you enjoyed working with your team on your submission and we thank you for your efforts! Congratulations to our November winners!

PRIZE REGION: British Columbia & Yukon
TEAM: Avalanche H4C2 - Arbutus

Our team has been together for 3 years now, and we have a really great group. As coaches, we try as much to help our kids develop good character as we do to develop their hockey skills. What we have really noticed as they have grown older is how they have come to care about and be proud of one another. They all know when one of their teammates gets their first goal - whether its first of the season, first in a long time, or first one ever. Seeing them come together on the ice to congratulate each other, without any direction from us as coaches, is a truly gratifying moment EVERY TIME! Recently, one of our players, who loves to play goalie, was extremely ill and hospitalized for several weeks. When he made his return at practice last night, we made him do a rookie lap of the rink before everybody else went on the ice. Hearing all of his teammates bang their sticks on the boards so loudly brought tears to my eyes. We have gone to more and farther away tournaments every season, and have noticed our group getting really close as a result. This season, we will be spending a few nights in Chilliwack, BC for a tournament in February. Hopefully we can get some money to help offset the travel costs and fund some fun team activities!

PRIZE REGION: Atlantic Canada
TEAM: Morell Mustangs – Morell Minor Hockey

We are a small team from a small community and would love to win so we could make some new memories with best western. We only have 11 players and a lot of heart heading into this season and to win could give us a little boost.

PRIZE REGION: Alberta

TEAM: Brooks Timbit Sharks – Brooks Minor Hockey

Our team is pumped to get on the road. We booked our first tournament away and are ready to have fun. Can't wait to stay in a best western and enjoy all the great things about the hotel!! Go Sharks!!

PRIZE REGION: Manitoba, Saskatchewan, Territories

TEAM: Novice Colts – Hockey Regina

The novice colts are hoping to hit the road at the end of the year to enjoy some fun on the road. We just finished our first tournament and the kids are loving the hockey life... more so loving playing mini sticks with the team. With the cost of hockey growing it's getting harder to enjoy the life outside hockey and hitting the road with other parents and family. We want to bring this back to our team. We have one boy whose sponsored by outside organizations to play but those added costs make it tough. This would help tremendously so their family could join us. the colts motto for the year is have fun, play hard, no quit and we'd love to hear or kids belt that loud and proud on the road

PRIZE REGION: Ontario

TEAM: Blackburn Stingers Atom B – Blackburn Stingers Minor Hockey Association

The Blackburn Stingers Atom B team has an exceptional group of parents who proudly take a role in helping the team. Coaches, manager, fundraisers and timekeepers all share the experience with their child and make it rewarding.

Although these kids love competing, they play for fun. This team loves to venture out. When we can escape the confines of our small community, the kids and parents always have a blast. They love coming up with new cheers, like ' We're red, we're white, we are dynamite. We got the power and the speed of the number 1 team. Goooooo Stingers!
